

Dear Friends,

The Cougar Pride Committee wanted to reach out and let you know about the new and old social media sites we have. Our purpose is to showcase all of the amazing things going on at Crestview. Please visit these sites and follow all of the great happenings at Crestview.

1. Facebook
2. Instagram @crestviewpride
3. Twitter @cms\_cougar
4. YouTube

You can also access our social media websites from our Crestview Website – there are links to each at the top of the webpage.

Beyond our posts, we would love to see the pictures you are taking at Crestview events. So, if you have any pictures of Cougars in action, please forward copies on to cmspride@hccsc.k12.in.us, and we can then share them out on social media. Thank you so much, parents/guardians, for being terrific supporters of our school.

Sincerely,

The Cougar Pride Committee
